## **Restoration Award Form**

## **Submission Information**

City

An EARLY BIRD offer is applicable up to Friday 28th February 2025. For the early bird period the submission entry fee is that of €100 for the first category submission and €65 for the additional category. A discount is applied to the cart upon checkout.

After this period, each project that is submitted will be charged an entry fee of €140. If the same project is resubmitted in a second category, then the fee for this additional category will be €90.

A project may only be submitted in a maximum of two categories. If you choose to submit a project in two categories, then you will need to fill in two separate forms, since the fields in each category submission are not all identical.

- Then you will need to fill in two separate forms, since the fields in each category submission are not an identical.	
Will you be submitting / have you already submitted this project in another category? *

Project Information
Name of Project *
Site Location *
Planning Authority Permit Number *
Completion Date of Project *
Date Format: DD / MM / YYYY
Abstract of the Project *
An abstract of the project also supported by a statement outlining the purpose for which the project is intended
Form *
Describe how the restoration project through its materiality, shape and detailing, retained or complemented the original
building/monument.
Function *
Illustrate how the rehabilitated building following the completion of the project, is still working well for its intended use.
If a new use has been proposed, describe how this is compatible and sustainable.
Authenticity and Integrity *

Describe how the intervention/s carried out in this project respect, or complement, the building/monument's authenticity and integrity. List how have works respected conservation ethics, values, and conservation principles.
Impact *
Describe how the restoration project is sensitive to its context and surroundings, with a positive impact on its users and the public at large. Also, explain how the aesthetic impact of the project, including the reconstruction of missing features and/or new additions to the entire building/monument, is positive.
Methodology and Materials *
Describe how the methodology and materials chosen observed the principles of compatibility and reversibility. Give evidence of background research, diagnosis and documentation that was carried out. Explain how traditional materials and techniques innovative, but ethically sound methods.
Upload of Restoration Method Statement & Addenda *
